

NOTES RE SEARCH.

When user clicks to go to the “rental” page from the menu they are taken to the holiday rental search page.

This page will not give them the option to search houses for sale.

When user clicks to go to the “sales” page from the menu they are taken to the sales search page.

This will not give them the option to search houses for holiday rental.

They are 2 separate businesses. One is sales. One is holiday rental.
